## DAN RATHER

I'm Dan Rather of *Sixty Minutes* and *The CBS Evening News*. While *Sixty Minutes* investigates the top stories worldwide, Channel Thirteen's *Project Thirteen* looks at the issues behind the stories of Tampa Bay. The *Project Thirteen* crew finds stories with unique angles . . . and shows reality, whether it's pleasant or not. For an uncommon view of local events, watch *Project Thirteen*, Sunday nights at six-thirty, followed by *Sixty Minutes* at seven on Channel Thirteen.
